FULLERTON ANNOUNCES TIME CHANGE TO JUNE 5TH CITY COUNCIL SPECIAL REGULAR MEETING

FULLERTON, Calif. (May 22, 2018) — The City of Fullerton today announced that its next City Council Special Regular meeting will now begin at 5:00 p.m. PST on June 5, 2018. The adjustment is being made to accommodate the June 5th Statewide Primary Election.

In order to maximize discussion time on items such as the city budget and other relevant topics of city business, the Fullerton City Council will not have a closed session on June 5th, instead starting the open session at 5:00 p.m. instead of the normal 6:30 p.m. start time. This change will be to the June 5th City Council Special Regular Meeting only and will resume 6:30 p.m. start times at the June 19th meeting.

Fullerton City Council meetings can be viewed in person at the City Council Chambers of Fullerton City Hall, on the Public Access Channel or via the City of Fullerton website at fullerton.legistar.com/Calendar.aspx.
